Erie, Pa. —Eriez® President and CEO Tim Shuttleworth, along with entire Eriez Headquarters staff, recently hosted Managing Directors from Eriez International plants. The group met at the Eriez Erie, PA Headquarters plant to share common challenges and opportunities, learn about the corporation's latest products and technologies and discuss how Eriez facilities throughout the world can continue to work collaboratively to provide the very best service and products to customers worldwide.

Eriez has manufacturing facilities in Australia, Brazil, Canada, China, Europe, India, Japan, Mexico and South Africa as well as the company's Erie Headquarters. Eriez has sales offices across the United States and some 80 international markets on five continents.

"Customers are assured of consistent product quality and fast response from whichever plant is closest to them," says Shuttleworth. "Eriez sales engineers and service teams throughout the world reflect the same customer-oriented philosophy." He adds, "It's important for Eriez Managing Directors to meet on a regular basis to ensure we maintain a unified approach by adhering to Eriez' rigid corporate standards for quality, service and dependability."
