Erie, Pa. — Charlie Ingram, Eriez® Vice President of Sales and Marketing, announces that Dominion-Carolina Sales, Inc. of High Point, North Carolina has earned the 2010 Merwin Award. Eriez presents this award each year to its most outstanding U.S. field sales office.

“The Dominion-Carolina team hit on all cylinders in 2010,” said Ingram. “They exceeded their goals in each assigned market and each assigned product group; truly outstanding achievements!”

Ingram points out that while Dominion-Carolina takes the top prize this year, an impressive (and record) 21 Eriez field sales offices exceeded their full-year sales goals to become Merwin Award finalists. “Eriez experienced a very good improvement in overall business activity in 2010 as the economy and fortunes of our key markets began the climb out of recession,” said Ingram.

Dominion-Carolina has been representing Eriez for more than 60 years. The current Dominion-Carolina team includes Jeffrey A. Carr, Brenda Carr, J. Dale Grimsley, Janet Shackelford, Andrew Harris, Ralph Brandstaetter and Leon Richardson. Dominion-Carolina previously won the Merwin Award in 2000. 2010 marks the fifth straight year the Dominion-Carolina team has successfully exceeded their sales goal.
